caution to the wind and  
get outside!

Let's face it, in this part of the world, our connection with the great outdoors is something pretty special. You'll want to experience more of it than just the views from the boardroom window.

So get outside and immerse yourself in a world of activities. How about biking it through deep green medieval forests, or surfing in the perfect swell off the Llŷn Peninsula? We've got mountains galore, waterfalls and fairy glens, glacial streams and golf courses that give new meaning to the word 'challenging'!

Bangor sits perfectly between the Menai Strait and the mountains, making our location central for all manner of experience.

For a more sedate approach you'll be pleased to hear there's everything from pleasurable meanders through the grounds at Bangor's very own National Trust Penrhyn Castle to following the gentle lilt of the Strait via foot and cycle paths that take in all our fabulous views.

For groups or individuals we offer tailored holiday packages, so it doesn't have to be work, work, work!
