Internships: The word “internships” is used in different ways by different employers. It may mean: work experience/year in industry/a period of paid work.

Opportunities will be advertised via the Careers/job zone web site.

BANGOR PROSPECTS- This is the University’s Student Employment Bureau advertising a variety of jobs and career opportunities.

<http://www.bangor.ac.uk/careers/students/jobmart.php.en>

- You can request a personal confidential career advice session, attend workshops, and make use of a variety of online resources and those specifically tailored by subject and stage of your academic career.
<http://bangor.prospects.ac.uk/>
- A variety of online resources to assist you with planning your career and landing your perfect position.
