

I will:

- Reduce Re-use and Recycle as much waste as possible during my stay in Bangor
- Switch off lights and appliances whenever I leave my bedroom or an empty kitchen.
- Switch off appliances at the plug socket to save standby energy
- Switch off my computer and monitor when not in use or set to sleep mode
- Keep my windows closed and curtains drawn when heating is on
- Only fill the kettle with the amount of water I actually plan to use
- Report dripping taps / heating problems etc to the Maintenance Helpdesk (Extension 2783)
- Take shorter showers
- Use 'Bags for Life' from local supermarkets rather than single use carrier bags
- Use sustainable means of travel wherever practicable
- Support our "Fair Trade University" status
