WLPAN Courses

1. The WLPAN classes listed in this programme meet for at least three hours a week. Obviously, the more hours you put into learning, the more effectively you will learn.
2. The Wlpn courses are on Entry level in the National Framework and cater for absolute beginners. We concentrate very much on the spoken language and class work revolves around conversational practice. Conscientious students can expect to be able to hold a basic conversation in Welsh by the end of the course.
3. You are requested to enrol beforehand by phone/e-mail or by returning the attached form, as places are allocated on a first-come first-served basis. However, you are welcome to attend the first class without obligation to continue with the course: the fees will not be collected until the end of that class, so that you can have a taste of the course structure and teaching methods before making any financial commitment. Learning materials will also be distributed at the first class.
4. We use our own in-house course materials which concentrate on the spoken forms of North-Walian Welsh. Wlpn course fees include the course book and a listening comprehension CD or cassette.

Wlpn revision and practice CDs or cassettes are also available: these will cost an additional £12 (cassettes) or £16 (CDs) if you wish to buy them. The audio material can also be downloaded as MP3 files for £12.
5. No classes will be held during school holidays, e.g. there will be a half-term break during the week of 13 - 17 February and two weeks off over Easter, 2-13 April. Courses will finish for the summer before the end of June.
6. Please enrol for the course of your choice in advance. You can enrol by sending in the attached form, by telephone or by e-mail.
7. Follow-up courses will be offered at the same centres and on the same format from September 2011 to ensure continued progress.
8. If you already know some Welsh, one of our intermediate or advanced courses may be more suitable for you. Please contact the Welsh for Adults Centre for guidance.

Fees

1. The fees quoted are for the number of weeks noted and include the course book and a listening comprehension CD or cassette.
2. It saves a lot of administrative work if all fees can be paid in full when formal registration takes place, but payment in instalments can be arranged in special circumstances.
3. The reduced "Unwaged" rate is available to those who are not in paid employment or who are in receipt of benefits such as income support, disability benefit, etc.
4. Welsh for Adults Bursary

If you have difficulty paying the course fees, you may be eligible for a bursary. To apply, please send a letter outlining your financial circumstances to the Bursary Officer, Welsh for Adults Centre, Bangor University, Bangor, LL57 1UT. Please apply before the start date of the course, if possible.
5. Welsh for Adults Learning Fund

If your annual household income is less than £25,000, you may be entitled to reimbursement of course-related costs such as childcare and travelling. Application forms will be available at the first class.

ACCESS

As far as we can, we only use centres where there are no access difficulties. However, in some areas appropriate facilities are not always available. If stairs etc. cause you problems, please contact us in advance so that we can advise you as to which centres are most suitable for your needs.

ACCREDITATION

All our courses are accredited through Agored Cymru and students will earn Level One credits as a record of their progress on the Wlpn course. If you would like to be assessed more formally, you can register for the Welsh Joint Education Committee's Entry and Foundation examinations during the Wlpn. We must stress, however, that all examinations are entirely optional and voluntary.
