Main University Building

A truly out of the ordinary historic venue

Eric Sunderland Lecture Theatre

Main Arts

Few function and banqueting venues can rival the University's Main Arts Building for style, elegance and panache.

Overlooking the mountains of Snowdonia and the North Wales coast, the Main University Building is a versatile venue with a rich history. With its stunning architecture and grand scale, the Main University Building is an inspiring location to host conferences and events.

Catering for all events

With the capacity to host, seat and cater for large conferences and events ranging from 10 to 400. From lecture theatres to seminar rooms, computer labs and more famously the Pritchard Jones Hall and Powys Hall, we have venues suited to all your conferencing and events needs.

So much more

The Main University Building also proudly features its very own restaurant and bar. Named for its beautiful location and relaxing atmosphere, the Teras lounge is located on the Main University Building terrace. Due to its architectural beauty the Main University Building is also a popular location for weddings and other ceremonial events. With so much to offer this is a venue that demands a viewing and rarely disappoints.

Teras Lounge: Incredible dining located within the Main University Building

Teras Lounge is our "hidden gem" as mentioned in our Trip Advisor reviews. The lounge offers a stylish environment to enjoy a menu built on locally sourced produce where possible, fine wine and excellent service. The welcoming atmosphere will suit individual diners but also perfect for hosting drink receptions and private events.
