

Employment Support Service

Information for Employees

This is a **free**, confidential service offering advice and support.

Is it for you?

- Are you worried about your alcohol and/or drug use?
- Have you missed work or been late because of a hangover?
- Do you feel your concentration is affected by alcohol, drugs or prescribed medication?
- Is the alcohol and/or drug use of someone close to you having an impact on your life?

Llywodraeth Cymru
Welsh Government

The Employment Support Service is free and available to employees in North and South Wales until Sept 2013.

This is a European funded pilot sponsored by the Welsh Government.
