Regulated Activity

Any person whose duties are deemed as Regulated Activity must have an Enhanced with Barred list check for either Children or Adults or both. The application process is the same as other checks.

'Regulated activity relating to children' is when the activity is frequent (once a week or more) or 'intensive' (takes place on four or more days in a 30-day period).

Regulated activity, related to children, includes:

Regulated activity relating to adults does not carry a requirement to do the activities listed below for a certain number of times. If any of the regulated activities are carried out then a barred list check for adults needs to be applied for. There are six categories within the definition of regulated activity with adults. These are:

Regulated activity with adults

If done once, the following activities are regulated activity with adults:		Anyone carrying out any of these activities would be eligible for an Enhanced DBS check with an Adults' Barred List check
Providing health care	By or under the supervision of a healthcare professional	
Providing personal care	Washing and dressing, eating, drinking and toileting	
Social Work	Provided by a social care worker to an adult who is a client or potential client	
Assistance with the day-to-day financial running of the adult's own household	Managing cash, bills or shopping	
Assistance with the conduct of an adult's affairs	Power of attorney, deputies appointed under Mental Health Orders	
Conveying an adult	Must be for health, personal or social care due to age, illness or disability	

Where in the University is there likely to be 'regulated activity'?

The Department for Education (DfE) have advised that regulated activity is likely to take place in relation to HE in the following circumstances:

- some students on placements in workplaces arranged by HEIs will carry out regulated activity
- HEI staff or students may interact with children in carrying out paid or voluntary outreach work with schools
- HEI staff or students may interact with the vulnerable groups through their academic work or research.
- some HEI staff working in health centres / environments or learning support units may work with vulnerable adults

Staff working in student residences will not be covered by regulated activity if care or supervision of students is not an expectation of their role.
