

WELCOME TO NORTH WALES A LEGENDARY YEAR TO VISIT

We've legendary mountains to visit like Snowdon... and yes you can travel up to the summit of Wales' highest peak on the Snowdon Mountain Railway taking in the legendary views because whatever the weather there's magic in the air!

And talking about trains we have seven out of the ten 'Great Little Trains of Wales' here too. North Wales is famous for its heritage and culture, you can cruise across the famous Telford Aqueduct, a 'World Heritage Site', venture into a slate or copper mine or visit a Victorian Castle featuring artworks from the National Portrait Gallery.

Our Gardens are famous too with Bodnant now open throughout the year and private guided tours are on offer around the beautiful gardens of Plas Tan y Bwlch which nestles within the Snowdonia National Park!

We're also big on family attractions from farm parks and zoos to multi activity centres... you will be spoilt for choice.

If adrenalin sport is your thing we have that too with Surf Snowdonia Adventure Parc a revolutionary world-first inland surf lagoon. Or experience the closest thing to flying at Zip World Velocity on a 500ft-high zip line.

These are just some of the legendary attractions all set in clean, fresh, wild, beautiful North Wales.

This easy to use pocket guide includes a free map and special offer section to help you plan and save whilst you take in the attractions of North Wales.
