SCHOOL OF HEALTH SCIENCES OPEN DAY

WREXHAM CAMPUS

SCHOOL OF HEALTH SCIENCES OPEN DAY SCHEDULE

Please come to either the morning session (starting at 10.30am) or the afternoon session (starting at 2.00pm). Both sessions will follow the same schedule.

10.30am & 2.00pm

Welcome and Introduction to the School of Health Sciences

An introduction to our objectives as a School and an overview of our education programmes which lead to professional careers in radiography, midwifery, and nursing for adult, mental health, learning disability and child fields. An opportunity for a more informal meeting with academic staff and students will follow as indicated below.

11.00am & 2.30pm

Programme and Field-specific Information

Introduction to Midwifery

An overview of the Midwifery programme and an opportunity to meet academic staff and ask any questions about the course and our application processes. Midwifery students will provide an overview of their experiences and demonstrate clinical skills.

Introduction to Radiography

An overview of our Radiography courses and an opportunity to meet academic staff, Student radiographers, and ask questions and visit our Skills Labs.

Meeting with Bachelor of Nursing academic staff and students for adult, mental health, learning disability and child fields

An informal opportunity talk with academic staff to ask questions about future careers, the BN programmes, and our applications processes. Nursing students will provide an overview of their experiences and demonstrate clinical skills.

Tea and coffee will be available for all visitors to the Open Day.
