

## Welsh Language Standards

### Impact Assessment

The Welsh Language Standards require the University to assess the impact of all policies/strategies and course development on:

- The opportunities to use Welsh
- The principle of treating Welsh no less favourably than English

The following checklist has been developed to assist you in documenting how you have reached a decision about the impact of the policy/strategy for which you are responsible on the Welsh language in the University. Evidence that can be cited includes, for example, adherence to the Code of Practice on Appointing Staff, discussions in task groups, consultation with students, staff and Canolfan Bedwyr.

#### Code of Practice for Pastoral Support

##### Staffing

**What effect will the policy/strategy have on bilingual staffing capacity in the University?**

Potential to increase the numbers of Welsh-speaking staff

Evidence: **the Code of Practice requires all schools to provide personal tutor support in both English and Welsh in accordance with the Welsh Language Scheme and the language choice of the student. This requires schools to recruit sufficient Welsh speaking staff.**

Potential to decrease the numbers of Welsh-speaking staff
