3. **ADDITIONAL INFORMATION**

Select appropriate options and provide details, where requested.
3.1. **Disability/Health:** This section is included for the purposes of monitoring equal opportunities and to ensure that the University can provide applicants with appropriate facilities. It will **not** affect the University’s decision whether or not to offer the applicant a place, and the information will remain **strictly confidential**.

3.2. **Residency information:** This is to enable the University to classify applicants for fees-payment purposes. In some cases, it may be necessary to request the applicant to complete a ‘Fee Status’ form.

More information may be found on the Disclosure and Barring Service website at [https://www.gov.uk/government/organisations/disclosure-and-barring-service](https://www.gov.uk/government/organisations/disclosure-and-barring-service).

   Relevant criminal convictions are only those convictions for offences against the person, whether of a violent or sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent (as defined by the Rehabilitation of
Offenders Act 1974) are not considered to be relevant and the applicant should not reveal them (but see below).
