BANGOR EXPERIENCE

📍 LOCATION

Take one of the most breathtaking locations in the UK, situated between the mountains of Snowdonia and the rugged, beautiful coastline of North Wales, combine this with a friendly city with a vibrant student community and an institution with an excellent reputation for teaching and research, and you have Bangor University. Bangor has great connections to all of the major cities - London in three hours, Manchester and Dublin in two.

🏛️ SAFE AND HISTORIC

Bangor is a safe, historic, and vibrant community. It has a city vibe without being overwhelming, getting around on foot or via public transportation is very easy and safe. If you enjoy your independence and are attracted to the lifestyle of a smaller city that has a scenic mix of friendly, rural and urban living, then Bangor could be just what you're looking for. Additional to the contemporary arts facilities, Bangor also has four period castles within twenty minutes of campus for you to explore.

📖 MODERN FACILITIES

You'll enjoy access to our Pontio Arts and Innovation Centre featuring an on-campus theatre with professional touring performances, and a cinema with the newest blockbuster releases. There are other live music venues on campus and around town, including the Students Union very own nightclub, adding to the cities lively atmosphere. We also have great facilities for outdoor and indoor sports including, Volleyball, Basketball, Tennis, Indoor Cricket, Climbing Wall, Athletics Track and much more.

💰 COST OF LIVING

Bangor is one of the most affordable locations in the whole of the UK. Bangor has low transport costs, affordable fees and housing and we have been ranked 1st in the UK for lowest cost of living for students – (Totally Money 2019)

STUDY ABROAD AT BANGOR

2,000 international students from all over the world study at Bangor. The University has over 100 years' experience of welcoming and providing tuition to International Students.

BANGOR STUDY ABROAD PROGRAMME

For individual students and students currently studying with a partner institution or at other approved universities. This programme is for Undergraduate and Masters level students to study with us as non-graduating students for one semester or one year.

Study Abroad students can study courses/modules from across the University (excluding Nursing, Medical Sciences and Teacher training).

TEACHING METHODS

You will study alongside degree students and will be provided with the same teaching arrangements and support.

You will participate in:

- Traditional lectures
- Tutorials
- Seminars
- Lab work
- One-to-one discussions
- and unsupervised independent study

CREDITS AND CLASSES

A full years study at Bangor is 120 Bangor credits/60 ECTS credits. Most modules are worth 10 or 20 Bangor credits/5 or 10 ECTS credits. A semesters study is 60 Bangor credits/30 ECTS credits.

Semester 1:

September – January

Semester 2:

January – May

The main Academic assessment periods are in January and May. For students studying Semester 1 only, an early assessment is organised in December.

Credits will be transferred to your home University at the end of your study.

STUDY SUPPORT

You will be allocated an academic personal Tutor to provide you with support throughout your study with us.

If you do not meet our English Language requirements, summer and autumn pre-sessional English courses are available from April to December:

elcos.bangor.ac.uk/pre-sessional

Courses for students wishing to refresh their academic English skills are available throughout the year and may be studied alongside your chosen course/modules.

CHOOSING CLASSES

Visit our online module catalogue:
www.bangor.ac.uk/gazettes

Select the module under the 'Module Details' dropdown and click on the view button for more information, including the module code, the number of credits this module is worth, and in which semester it will be taught. You can also view other relevant details like course content, learning outcomes, and assessment methods.

If this seems complicated, don't worry. Our Study Abroad team will guide you through class choices and enrolment.

TERMINOLOGY: In the UK, a class or course is called 'module'.

MAIN SUBJECT AREAS

Bangor has academic strengths across many disciplines. Our study abroad programme offers you a very broad portfolio of modules appropriate to your study needs, choose from a multitude of disciplines, including:
