

Welcome & Orientation Programme for International Students

Monday 17th – Friday 21st January 2022

We look forward to welcoming you to Bangor and have put in place an orientation programme which will enable you to get to know the University, meet staff, and other students. Due to the current covid-19 situation, the programme will be a combination of online sessions and some 'in-person' events.

This programme complements the University central programme, which will be published soon and will explain how to fully enrol at the University, as well as giving details of events organised by your School.

It is very important that you check your Bangor email address when this is set up, as all information regarding arrivals, welcome and registration, as well as information from your academic School during your time at the University will be sent to that email.

For more information and advice on all aspects of living in Bangor and the support provided by the University, see:

<https://www.bangor.ac.uk/international/support>
