Part III : Discipline, Dismissal and Removal from Office

Disciplinary Procedures

13. (1) Minor faults shall be dealt with informally.
Where the matter is more serious but falls short of constituting possible good cause for dismissal, the following procedure shall be used:

**Stage 1 - Oral Warning**

If conduct or performance does not meet acceptable standards the member of the Academic Staff will normally be given a formal ORAL WARNING. The member will be advised of the reason for the warning, that it is the first stage of the disciplinary procedure and of the right of appeal under this paragraph. A brief note of the oral warning will be kept but it will be spent after 12 months, subject to satisfactory conduct and performance.

**Stage 2 - Written Warning**

If the offence is a serious one, or if a further offence occurs, a WRITTEN WARNING will be given to the member of the Academic Staff by the Head of Department or School. This will give details of the complaint, the improvement required and the timescale. It will warn that a complaint may be made to the Secretary and Registrar seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 if there is no satisfactory improvement and will advise of the right of appeal under this paragraph. A copy of this written warning will be kept by the Head of Department or School but it will be disregarded for disciplinary purposes after 2 years, subject to satisfactory conduct and performance.

**Stage 3 - Appeals**

A member of the Academic Staff who wishes to appeal against a disciplinary warning shall inform the Secretary and Registrar within two weeks. A Pro-Vice-Chancellor shall hear all such appeals and his decision shall be final.

**Preliminary Examination of Serious Disciplinary Matters**

14. (1) If there has been no satisfactory improvement following a written warning given under Stage 2 of the procedure in paragraph 13, or in any other case where it is alleged that conduct or performance may constitute good cause for dismissal or removal from office, a complaint seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 may be made to the Secretary and Registrar who shall bring it to the attention of the Vice-Chancellor.

(2) To enable the Vice-Chancellor to deal fairly with any complaint brought to his attention under sub-paragraph (1), he shall institute such investigations or enquiries (if any) as appear to him to be necessary.

(3) If it appears to the Vice-Chancellor that a complaint brought to his attention under sub-paragraph (1) relates to conduct or performance which does not meet acceptable standards but for which no written warning has been given under paragraph 13 or which relates to a particular alleged infringement of rules, Regulations or bylaws for which a standard penalty is normally imposed in Bangor University or within the
Faculty, Department, School or other relevant area, or is trivial or invalid, he may dismiss it summarily or decide not to proceed further under this Part.

(4) If the Vice-Chancellor does not dispose of a complaint under subparagraph (3), he shall treat the complaint as disclosing a sufficient reason for proceeding further under this Part and, if he sees fit, he may suspend the member on full pay pending a final decision.

(5) Where the Vice-Chancellor proceeds further under this Part, he shall write to the member of the Academic Staff concerned, inviting comment in writing.

(6) As soon as may be following receipt of the comments (if any), the Vice-Chancellor shall consider the matter in the light of all the material then available and may:

(a) dismiss it himself; or

(b) refer it for consideration under paragraph 13; or

(c) deal with it informally himself if it appears to the Vice-Chancellor appropriate to do so and if the member of the Academic Staff agrees in writing that the matter should be dealt with in that way; or

(d) direct the Secretary and Registrar to prefer a charge or charges to be considered by a Tribunal to be appointed under paragraph 16.

(7) If no comment is received within 28 days, the Vice-Chancellor may proceed as aforesaid as if the member concerned had denied the substance and validity of the alleged case in its entirety.

Institution of Charges

15. (1) In any case where the Vice-Chancellor has directed that a charge or charges be preferred under paragraph 14(6)(d), he shall request the Council to appoint a Tribunal under paragraph 16 to hear the charge or charges and to determine whether the conduct or performance of the member of the Academic Staff concerned constitutes good cause for dismissal or otherwise constitutes a serious complaint relating to the member's appointment or employment.

(2) Where the Council has been requested to appoint a Tribunal under paragraph 16, the Secretary and Registrar or, if he is unable to act, another officer appointed by the Vice-Chancellor shall take charge of the proceedings.

(3) The officer in charge of the proceedings shall formulate, or arrange for the formulation of, the charge or charges and shall present, or arrange for the presentation of, the charge or charges before the Tribunal.
(4) It shall be the duty of the officer in charge of the proceedings:

(a) to forward the charge or charges to the Tribunal and to the member of the Academic Staff concerned together with the other documents therein specified, and

(b) to make any necessary administrative arrangements for the summoning of witnesses, the production of documents and generally for the proper presentation of the case before the Tribunal.

The Tribunal

16. A Tribunal appointed by the Council shall comprise:

(a) a Chairman; and

(b) a member of the Council, not being a person employed by Bangor University; and

(c) one member of the Academic Staff nominated by the Senate:

Provided that in any case where the member of the Academic Staff concerned holds status or title in the University of Wales, the Tribunal shall include, in addition to the members referred to under sub-paragraphs (b) and (c), two members nominated by the University of Wales not being persons employed by the University of Wales, Bangor.

Provisions concerning Tribunal Procedure

17. (1) The procedure to be followed in respect of the preparation, hearing and determination of charges by a Tribunal shall be that set out in Ordinances made under this paragraph.

(2) Without prejudice to the generality of the foregoing, such Ordinances shall ensure:

(a) that the member of the Academic Staff concerned is entitled to be represented by another person, whether such person be legally qualified or not, in connection with and at any hearing of charges by a Tribunal;

(b) that a charge shall not be determined without an oral hearing at which the member of the Academic Staff concerned and any person appointed by him to represent him are entitled to be present.

(c) that the member of the Academic Staff and any person representing the staff member may call witnesses and may question witnesses upon the evidence on which the case against him is based; and

(d) that full and sufficient provision is made:
(i) for postponements, adjournments, dismissal of the charge or charges for want of prosecution, remission of the charge or charges to the Vice-Chancellor for further consideration and for the correction of accidental errors; and

(ii) for appropriate time limits for each stage (including the hearing) to the intent that any charge thereunder shall be heard and determined by a Tribunal as expeditiously as reasonably practicable.

Notification of Tribunal Decisions

18. (1) A Tribunal shall send its decision on any charge referred to it (together with its findings of fact and the reasons for its decision regarding that charge and its recommendations, if any, as to the appropriate penalty) to the Vice-Chancellor and to each party to the proceedings.

(2) A Tribunal shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of Part V (Appeals) accompanies each copy of its decision sent to a party to the proceedings under this paragraph.

Powers of the Appropriate Officer where charges are upheld by Tribunal

19. (1) Where the charge or charges are upheld and the tribunal finds good cause and recommends dismissal or removal from office, but in no other case, the appropriate officer, as defined in paragraph 20, shall decide whether or not to dismiss the member of the Academic Staff concerned.

(2) In any case where the charge or charges are upheld, other than where the appropriate officer has decided under sub-paragraph (1) to dismiss the member of the Academic Staff concerned, the action available to the appropriate officer (not comprising a greater penalty than that recommended by the Tribunal) may be:

(a) to discuss the issues raised with the member concerned; or

(b) to advise the member concerned about his future conduct;

(c) to warn the member concerned; or

(d) to suspend the member concerned for such period as the appropriate officer shall think fair and reasonable, not to exceed 3 months after the Tribunal's decision; or

(e) any combination of any of the above or such further or other action under the member's contract of employment or terms of appointment as appears fair and reasonable in all the circumstances of the case.
Appropriate Officers

20. (1) The Vice-Chancellor shall be the appropriate officer to exercise the powers conferred by paragraph 19 and any reference to the appropriate officer includes a reference to a delegate of that officer.

(2) Any action taken by the appropriate officer shall be confirmed in writing.

Part IV: Removal for Incapacity on Medical Grounds

21. (1) This Part makes separate provision for the assessment of incapacity on medical grounds as a good cause for dismissal or removal from office.

(2) In this Part references to medical grounds are references to capability assessed by reference to health or any other physical or mental quality.

(3) In this Part references to the appropriate officer are references to the Vice-Chancellor or an officer acting as his delegate to perform the relevant act.

(4) References to the member of the Academic Staff include, in cases where the nature of the alleged disability so requires, a responsible relative or friend in addition to (or instead of) that member.

22. (1) Where it appears that the removal of a member of the Academic Staff on medical grounds would be justified, the appropriate officer:

(a) shall inform the member accordingly; and

(b) shall notify the member in writing that it is proposed to make an application to the member's doctor for a medical report and shall seek the member's consent in writing in accordance with the requirements of the Access to Medical Reports Act, 1988.

(2) If the member shares that view, Bangor University shall meet the reasonable costs of any medical opinion required.

(3) If the member does not share that view, the appropriate officer shall refer the case in confidence, with any supporting medical and other evidence (including any medical evidence submitted by the member), to a Board comprising one person nominated by the Council; one person nominated by the member concerned or, in default of the latter nomination, by the Senate; and a medically qualified Chairman jointly agreed by the Council and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.

(4) The Board may require the member concerned to undergo medical examination at the expense of Bangor University.
Termination of Employment

23. If the Board determines that the member shall be required to retire on medical grounds, the appropriate officer shall direct the Secretary and Registrar or his delegate to terminate the employment of the member concerned on those medical grounds.

Part V: Appeals

Purpose of Part V

24. This Part establishes procedures for hearing and determining appeals by members of the Academic Staff who are dismissed or under notice of dismissal or who are otherwise disciplined.

(2) No appeal shall however lie against:

(a) a decision of the appropriate body under paragraph 10(2);

(b) the findings of fact of a Tribunal under paragraph 18(1) save where, with the consent of the person or persons hearing the appeal, fresh evidence is called on behalf of the appellant at that hearing;

(c) any finding by a Board set up under paragraph 22(3).
In this Part references to "the person appointed" are references to the person appointed by the Council under paragraph 28 to hear and determine the relevant appeal.

The parties to an appeal shall be the appellant and the Secretary and Registrar and any other person added as a party at the direction of the person appointed.

26. A member of the Academic Staff shall institute an appeal by serving on the Secretary and Registrar, within the time allowed under paragraph 27, notice in writing setting out the grounds of appeal.

Time for Appealing and Notices of Appeal

(2) The Secretary and Registrar shall bring any notice of appeal received (and the date when it was served) to the attention of the Council and shall inform the appellant that he has done so.

(3) Where the notice of appeal was served on the Secretary and Registrar outside the 28 days period, the person appointed under paragraph 28 shall not permit the appeal to proceed unless he considers that justice and fairness so require in the circumstances of the case.

Persons Appointed to Hear and Determine Appeals

28. (1) Where an appeal is instituted under this Part, the Council shall appoint a person described in sub-paragraph (2) to hear and determine that appeal.

(2) The persons described in this sub-paragraph are persons not employed by Bangor University holding, or having held, judicial office or being barristers or solicitors of at least ten years’ standing.

(4) The other persons who may sit with the person appointed shall be:

(a) a member of the Council not being a person employed by Bangor University; and

(b) one member of the Academic Staff nominated by the Senate.
Provisions concerning Appeal Procedures and Powers

29. (1) The procedure to be followed in respect of the preparation, consolidation, hearing and determination of appeals shall be that set out in Ordinances made under this paragraph.

(a) that the appellant is entitled to be represented by another person, whether such person be legally qualified or not, in connection with and at any hearing of his appeal;

(b) that an appeal shall not be determined without an oral hearing at which the appellant, and any person appointed by him to represent him, are entitled to be present and, with the consent of the person or persons hearing the appeal, to call witnesses;

Notification of Decisions

30. The person appointed shall send the reasoned decision, including any decision reached in exercise of his powers under paragraph 29(3)(a), (b) or (c), on any appeal together with any
findings of fact different from those come to by the Council as the appropriate body under Part II or by the Tribunal under Part III, as the case may be, to the Vice-Chancellor and to the parties to the appeal and to the Senior Vice-Chancellor of the University of Wales in the case of an appeal by a member of the Academic Staff who holds status or title in the University of Wales.

(a) to matters affecting themselves as individuals; or

(b) to matters affecting their personal dealings or relationships with other staff of Bangor University,

not being matters for which express provision is made elsewhere in this Statute.

(2) If the member of the Academic Staff is dissatisfied with the result of an approach under sub-paragraph (1) or if the grievance directly concerns the Head of the Faculty, Department, School or other relevant area, the member may apply in writing to the Vice-Chancellor for redress of the grievance.

(3) If it appears to the Vice-Chancellor that the matter has been finally determined under Part III, IV or V, or that the grievance is trivial or invalid, he may dismiss it summarily, or take no action upon it. If it so appears to the Vice-Chancellor he shall inform the member and the Grievance Committee accordingly.

(4) If the Vice-Chancellor is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of):

(a) a complaint under Part III;

(b) a determination under Part IV; or
(c) an appeal under Part V

he shall defer action upon it under this Part until the relevant complaint, determination or appeal has been heard or the time for instituting it has passed and he shall notify the member and the Grievance Committee accordingly.

(5) If the Vice-Chancellor does not reject the complaint under sub-paragraph (3) or if he does not defer action upon it under sub-paragraph (4), he shall decide whether it would be appropriate, having regard to the interests of justice and fairness, for him to seek to dispose of it informally. If he so decides he shall notify the member and proceed accordingly.

Grievance Committee Procedure

34. If the grievance has not been disposed of informally under paragraph 33(5), the Vice-Chancellor shall refer the matter to the Grievance Committee for consideration.

Notification of Decisions

37. The Committee shall inform the Council whether the grievance is or is not well found and if it is well-found the Committee shall make such proposals for the redress of the grievance as it sees fit.

Subject to the Charter and these Statutes, Ordinances may be made with regard to all such matters as are directed or authorised by the Charter and these Statutes and all other matters which are not otherwise regulated by the Charter and these Statutes.

XXIV. Procedure

1. The following provisions shall, except where other provision is expressly made in the Charter or in these Statutes or in Ordinances or Regulations, apply to the Court, the Council, and the Senate (which bodies are in this Statute called "the Statutory Bodies") and each of them:

   (i) Any member or the Chairman (other than an ex-officio member or Chairman) may resign his membership or office by notice in writing to the Statutory Body or its Secretary (if any).

   (ii) Any member who is required to possess any qualification shall vacate his membership if he ceases to possess that qualification.

   (iii) Any member and any Chairman shall be eligible for reappointment or re-election.

   (iv) Any casual vacancy occurring in any of the Statutory Bodies by resignation, incapacity or death among any of its nominated, appointed or elected members shall be filled by the person who, or body which, nominated, appointed or elected the member whose place has become vacant. A member of any of the Statutory Bodies who is nominated, appointed or elected to fill a casual vacancy shall hold office only for the unexpired part of the term of office of the member in whose place he is nominated, appointed or elected.

   (v) Subject to the provisions of the Charter every matter shall be determined by the majority of the members present and voting on the question. In case of equality of votes, the Chairman or other presiding officer shall have a casting vote whether or not he has voted before on the motion.

   (vi) Any Statutory Body may determine the time and place of meeting and the procedure to be followed thereat.

   (vii) The Statutory Bodies may appoint and dissolve such and so many committees consisting either wholly or partly of members of the said bodies as they may think fit, and the provisions of this Statute shall apply to any committee of any of the Statutory Bodies. A Statutory Body may delegate, for such period and on such conditions as it may determine, either to any of its committees, or to any other
Statutory Body any of the powers and functions which the Statutory Body as aforesaid itself could exercise. Provided that nothing in this Statute shall enable the Council to delegate its power to reach a decision under paragraph 10(2) of Statute XX.

(viii) Any Statutory Body may make Standing Orders for the purpose of regulating its procedure.

(ix) The proceedings of the Statutory Bodies shall not be invalidated by any deficiency in their numbers or by any defect in the appointment or qualifications of their members.

(x) No meeting of any of the Statutory Bodies shall be invalid by reason only of any failure to give notice of such meeting to any person or body entitled under the Charter or these Statutes to receive the same.

2. Any person appointed to an office under these Statutes shall, except as otherwise provided in these Statutes, be eligible for reappointment.

XXV. Service of Notices and Documents

1. Any notice or document required by or for the purposes of the Charter or these Statutes to be given or sent to a person may be given or sent personally or sent by post to him at his last address registered by Bangor University.

2. Where a notice or other document is sent by post, service thereof shall be deemed to have been properly effected at the time at which the letter would in the ordinary course be delivered.

XVI. Interpretation of the Statutes

These Statutes shall be interpreted in such manner as not to conflict with the Charter.

XXVII. Temporary Provisions

1. All acts, matters and things done or transacted by or on behalf of Bangor University under any Charter, Statute or other enabling provision then in force shall continue in full force and effect as if done or transacted under the provisions of these Statutes.

2. All Regulations, Bye-laws, Standing Orders and Resolutions passed or made under any Charter, Statute or other enabling provision then in force shall continue in full force and effect unless the same shall be inconsistent with any provision of the Charter or these Statutes and unless or until revoked, amended or replaced hereunder and for so long as they remain in force and to the extent appropriate to their content they shall be deemed to have the force of Ordinances.
3. The Chancellor, the Pro-Chancellors, the Treasurer, the Vice-Chancellor, the Pro-Vice-Chancellors, the Secretary and Registrar, and all other officers and members of the staff of Bangor University who were in office, or had been appointed on the date these Statutes take effect, shall continue in their office or appointment for the full unexpired period thereof and no successor or successors shall be appointed under these Statutes until such period of office or appointment shall have ceased or until (for whatever other cause) the office shall have become vacant.

4. The Court, the Council and the Senate (which bodies are in this Statute called "the Statutory Bodies") as constituted at the date these Statutes take effect shall continue and shall be the Statutory Bodies for the purpose of these Statutes. All appointed members of the Statutory Bodies at the date these Statutes take effect shall remain members for the full unexpired term of their original appointment (unless they resign earlier) but shall be eligible for reappointment only if their appointment could originally have been made pursuant to these Statutes. No appointment shall be made unless and until any Authority with power to make the appointment shall have fewer of its representatives serving on such Statutory Body than that provided for by these Statutes, but subject thereto, appointments to the Statutory Bodies shall be made hereunder as soon as possible after these Statutes take effect and it shall be no objection that the total number of members of the Statutory Body concerned shall be temporarily greater than that provided for by these Statutes.

5. The Faculties, Faculty Boards, Schools, Departments and all other academic organisations of Bangor University shall remain as constituted at the date these Statutes take effect until varied or replaced under these Statutes.

6. There shall be power by Ordinance to provide for the resolution of any doubt which may arise on any question involving the transition from the previous Charters and Statutes of Bangor University to the provisions of the Charter and these Statutes.
