Re: Working hours permitted – Postgraduate Students January 2023 Start

Should the current employee/applicant have a 'Student/Tier 4 (General)' visa (copy enclosed), they are entitled to work a maximum of 20 hours per week during term-time. During the holiday periods, they are entitled to work full-time, dates below:

Holiday periods for postgraduate students starting January 2023 are:

Easter Holiday 2023: 27 March – 17 April 2023
Christmas Holiday 2023: 18 December 2023 – 08 January 2024

For postgraduate students, the Summer months (June-September 2023) are still considered to be 'term-time' as they have study/research commitments during this period, and cannot therefore work more than 20 hours per week.

Once the student finishes their course, they should be permitted to work full-time until their current visa expires.

Please do not hesitate to contact me if you need any further information.
