

**Strategic Business- and Organisational- Development Projects funded by the UK Government *Technology Strategy Board (TSB)***

[See <http://ktp.innovateuk.org/> for archive database of completed projects]

**The Knowledge Transfer Partnerships (KTP)** programme supports UK businesses wanting to improve their competitiveness, productivity and performance by accessing the knowledge and expertise available within UK Universities and Colleges.

Dr. David Joyner has developed successful applications for TSB support for the following organisations in partnership with many Schools of Bangor University as outlined below:
