

PRIFYSGOL
BANGOR
UNIVERSITY

Discover your power at Bangor University

WELCOME TO THE OPEN DAY

We're pleased to welcome you to our
on-campus Open Day.

On arrival, please make your way to the sign-in marquee outside the Main University Building (sign-in will be open from 8.30am).

During the day, you can visit the main exhibition area in Prichard-Jones Hall - where you can chat to staff about academic subjects and services such as Student Support, Accommodation and the Students' Union.

You can also attend subject presentations, general talks on topics such as Accommodation and Finance, go on subject specific tours and visit our student accommodation villages.

To find out more about student life, please visit the Undeb Bangor / Students' Union space on the fourth floor of Pontio. Explore the wide range of activities available through the SU and have any questions answered regarding opportunities, representation, or anything else that comes to mind.

Our staff and students are on-hand throughout the day to help and advise you. We hope that you enjoy our beautiful campus and have a great Open Day here at Bangor.
