BANGOR
UNIVERSITY

**Create your
unique experience**

Since 1884.

Welcome to the Open Day

**We're pleased to welcome you to
Bangor University for our Open Day.**

On arrival, please make your way to the **sign-in marquee** outside the Main University building (sign-in open from 8.30am).

During the day you can visit **the exhibition area** in Prichard-Jones Hall, where you can chat to staff about academic subjects and services such as Student Support, Admissions and Accommodation. (Free tea and coffee also available in the Hall from 8.30am onwards.)

Throughout the day, you'll be able to attend **subject talks**, go on subject-specific **tours** and visit the **accommodation** in our student villages (see pages 5 – 12). Make sure

you also attend the **Welcome talk** as well as presentations on topics such as Finance and Accommodation (see opposite page).

To find out more about student life, please visit the **Undeb Bangor/ Students' Union** space on the fourth floor of Pontio. Explore the wide range of activities available through the SU and ask questions about opportunities, representation or anything else that comes to mind.

Our staff and student ambassadors are on-hand throughout the day to help and advise you. We hope that you enjoy our beautiful campus and have a great Open Day at Bangor University.
