### PHD

A PhD programme usually takes 3 – 4 years, and all PhD students require supervision from at least one academic member of staff at the University before they submit an application. Depending on the specific area or theme that you want to research, you need to ascertain whether we hold sufficient expertise in your chosen topic to provide the required supervision. You can find further information on our research themes and expertise here: [www.bangor.ac.uk/international/applying](http://www.bangor.ac.uk/international/applying)

### NEED A PRE-MASTERS?

1 term and 2 term International Incorporated Masters are available for most of our Business Masters and Psychology courses at Bangor University International College. For more information visit: [www.bangor.ac.uk/buic](http://www.bangor.ac.uk/buic)
