

Dr Zigs Extraordinary Bubbles – Bubble Product Designer

Dr Zigs is an award winning and growing business bringing extraordinary giant bubbles to North Wales and beyond. We have strong environmental, social, ethical and fun values, and are keen to find likeminded new crew.

We are looking for keen and highly motivated professional staff to join our Dr Zigs Crew. As a designer you will be representing Dr Zigs, the Bubbles, the brand, it's products and values.

Responsibilities

- Creating new digital content
- Creating new designs for packaging, advertising and marketing materials
- Dealing with our packaging companies, adhere to design guidelines
- Creating new banners and images for the website and social media
- Writing descriptions of the products for new packaging

Requirements

- Highly responsible and confident nature.
- Excellent IT abilities
- Creativity
- Interest in developing high-quality designs
- Excellent ADOBE abilities (this includes Photoshop and InDesign)
- Excellent Microsoft abilities (mostly Excel)
- Accuracy and close attention to detail.
- Reliability and adaptability.
- Must love bubbles 😊

You will receive full training for this post and will become part of a fun and growing Dr Zigs Bubble Crew. We have exciting plans afoot for the future and are looking for individuals who are willing to join us on this exciting adventure.

For further information and details on how to apply **please contact Rich Foxhall, Employability Officer** at Bangor University by emailing targetconnect@bangor.ac.uk with 'Employ Autism - help' as the subject.
