

# Wales Student Market™

**Our usual Student Christmas Market is one of the highlights of the University year (even if we do say so ourselves!), so there's no way that we could let this year go by without offering you, our students and graduates, the opportunity to test trade!**

The good news is that this year, you'll have the opportunity to sell your products and services to the whole of Wales (and beyond) as we're working together with other Institutions across Wales to bring you the "Wales Student Market"!

Wales Student Market will be a directory of student and graduate businesses that offer products or services online, from individuals across all Further Education and Higher Education Institutions in Wales.

One of the requirements of the Wales Student Market is that you'll need to have your own website or a selling platform (such as Etsy, Shopify, eBay Shop, etc.) that's able to take orders or payments for your products or services. If you're not quite there yet, don't worry – we have a team standing by to offer support to help you to launch! Details to follow.

Applications are open for those that wish to register their interest and you can do this by completing this form by 27<sup>th</sup> of November. We'll be in-touch about what happens next very soon.

We hope that you're as excited about this opportunity as we are! It's a fabulous chance for you to showcase your business/idea across Wales and beyond.

**Together online, it's trading time!**

**Just Fill in this form by the 27<sup>th</sup> November**
