BANGOR UNIVERSITY

FEE STATUS ENQUIRY FORM

Bangor University, in common with other UK universities, charges tuition fees at a higher level (full cost) to students classified as "overseas" for fee purposes than to those classified as "home" (or "UK/EU"). A summary of guidance and current definitions of an overseas student for fee purposes is available from UKCISA (http://www.ukcisa.org.uk/student/info_sheets/tuition_fees_ewni.php).

A copy of the University's current table of fees may be obtained online at <http://www.bangor.ac.uk/ar/main/fees/home.htm>.

The personal information provided by you in completing this form will be used by the University solely to determine whether you will be classified as a home or overseas student for the purpose of tuition fees. Please note that you *may* be asked to provide proof to support any of the answers you give. Where you attach copies of documentary evidence, the University reserves the right to examine originals.

If you are offered and accept a place at this University then your personal information may be kept in a personal file and stored electronically.

You agree that in completing this form you consent to the University processing your personal information for the purpose outlined above.
