

The Little Blue Book of helpful numbers – Mental Health

Useful tips to support your mental health:

1. Be kind to yourself, and others.
2. Take care of your physical health such as food and water; fresh air; exercise; rest.
3. Do not keep things which worry you to yourself. Seek sources of help and support.
4. Talk to someone, write down your thoughts and feelings, or create pictures.
5. Structure your day. Try to include an enjoyable pastime, e.g. music, films, crafts, volunteering.
6. Learn, or practise, a skill.
