

Yellow Slips

Bangor University students registered with the Dyslexia Team are offered the reasonable adjustment of asking markers to take their difficulties into account when grading their work.

This means that markers will mark according to content and ideas, and not deduct marks for spelling and structure, **except** when these form part of the marking guidelines / learning outcomes

Students can request this adjustment by using a yellow slip.

- For **paper** submissions, **paper** yellow slips should be used. These contain guidelines for markers, and are available from the Disability Services General Office on lower- ground floor Rathbone

- For **electronic** submission there is an **electronic** version of the yellow slip that you can copy and paste onto your front cover/submission documents.

How do I get an electronic yellow slip?

1: Go to your PLSP page (<https://apps.bangor.ac.uk/plsp/student/>)

2: Right click on the 'Yellow Slip' image.

3: Click on copy image (see attached).

4. Paste image into word document.

Alternatively the image can be dragged from the PLSP page straight into a word document.

Slipiau Melyn

Cynigir addasiad rhesymol i fyfyrwyr sydd wedi cofrestru gyda'r Tîm Dyslecsia trwy ofyn i farcwyr gymryd eu hanawsterau i ystyriaeth wrth raddio eu gwaith.

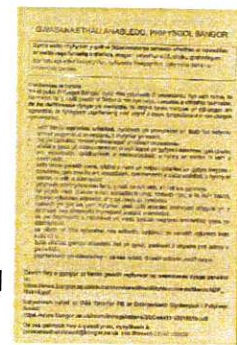

Mae hyn yn golygu y bydd marcwyr yn marcio gwaith yn ôl y cynnwys a'r syniadau, ac yn peidio â thynnu marciau am sillafu a strwythur **ac eithrio** pan fo sillafu a strwythur yn rhan o'r canllawiau marcio/deilliannau dysgu.

Gall myfyrwyr wneud cais am yr addasiad hwn trwy ddefnyddio slip melyn.

- Dylid defnyddio slipiau melyn **papur** ar gyfer cyflwyniadau **papur**.

Mae'r rhain yn cynnwys canllawiau i'r marcwyr, ac maent ar gael o Swyddfa Gyffredinol y Gwasanaethau Anabledd ar lawr gwaelod isaf Rathbone.

- Mae fersiwn **electronig** o'r slip melyn ar gael ar gyfer cyflwyniadau **electronig** a gallwch ei gopïo a phastio i'ch blaenddal/dogfennau cyflwyno.

Sut mae cael slip melyn electronig?
