We look forward to welcoming you at Bangor and hope that your stay with us in Wales will be one you remember forever.

## WELCOME TO BANGOR

Bangor University has a long tradition of academic excellence and also places a high priority on supporting and caring for our students.

With over 11,000 students from all over the world, you will be joining a vibrant student community situated in one of the most attractive study locations in the UK.

Over 23% of our students come from outside of the UK, and our aim at the International Student Support Office is to ensure that your stay with us here is as enjoyable and academically productive as possible.

We understand that students from overseas have to deal and cope with different issues than those experienced by UK students. That is why we have a designated and expert team based at Neuadd Rathbone who will be able to assist you in the transition from home to University life in the UK. We can help with a range of issues and welfare matters. In addition, we organise social events throughout the year, giving you a chance to see some of Wales and the UK, and experience our culture... while having fun and meeting other students!

**Marcel Clusa**  
International  
Student Support  
Officer

**Alan Edwards**  
Head of  
International  
Student Services

We also have a group of International Student Ambassadors who can answer any questions and help you to settle in at Bangor. They come from a wide variety of countries and study at all our various academic schools. Why not contact one of them.

## TRIPS AND EVENTS

Throughout the year, the International Student Support Team organises many social events for international students, including the annual One World Gala and traditional Welsh cultural evenings.

International students may also join us on one of the various trips we offer to local destinations as well as further afield - a beach party, a historical tour, a day out in Liverpool or Manchester and more!

Please keep an eye on our website, Instagram or Facebook page for up-to-date information about our trips and events.
