## Hardship Funds

Did you know that the university has a fund to help students who experience unexpected financial difficulties?

The **Hardship Fund** provides discretionary financial help to support students who face unexpected financial hardship or crisis during an academic year.

## Who can apply?

The fund is available to registered Bangor University students - Undergraduate or Postgraduates whether you are from the UK, EU or an International student studying full or part-time courses.

## Crisis Grants

The Money Support Unit administer the Crisis Grant on behalf of the Students Union. The fund can provide small, short-term financial support to students struggling with financial hardship to ensure that students are able to purchase food whilst other longer-term financial solutions are being explored
