TOP TIPS

At Halls or Houses of residence

- Close doors and windows securely. 90% of thefts involve access through doors and windows left unlocked or open.
- Be prepared to report unfamiliar people or suspicious behaviour.

Property

- Don’t leave valuable items on display in Halls/houses of residence whilst you’re out or leave unattended whilst at University.
- Look out for our property registration days or register at www.immobilise.com
- Be discrete with your cash, phones and other valuables. Don’t ‘display’ them to attract unwanted attention.
- Distribute valuables about your person to avoid having everything important in one pocket or bag.
- Make sure you back up your data, University work and word processing on separate systems.
- Bicycles – remove ancillary items if leaving unattended and secure using a ‘D’ type lock as chains can be cut.

Personal safety

- Be continuously aware of your surroundings and people around you when using personal stereos or iPods. The distraction of listening to music etc can make you a potential target.
- Be ‘Drink Aware’ – don’t leave drinks unattended or accept them from strangers.
- Look after each other when consuming alcohol and check everyone is able to get home safely.
- Alcohol affects your judgement and perception and can put your personal safety at risk. Drink in moderation to stay safe.
