

## CYMRU YN Y BYD: SUT BETH FYDDAI 'CYMRU FYD-EANG?'

## WALES IN THE WORLD: WHAT WOULD A GLOBALLY RESPONSIBLE WALES LOOK LIKE?

### REICHEL PRIFYSGOL BANGOR

12.11.2019 | 18:00 - 20:00

Wedi digaltonni ar y culni o'n cwmpas? Eisiau gwneud gwahaniaeth tu hwnt i'n milltir swarz?

Pwy sydd awydd noson o drafod pynciau yn dechrau gyda llythyren heblaw 'B'? Dyma'ch cyfle i sgwrsio am:

- Cymru fyd-eang – sut yn y byd mae mynd ati?
- Pwy yw pwy a phwy sy'n gwneud beth?
- Sut allwn fod yn 'gyfrifol yn fyd eang' wrth ein gwaith bob dydd?
- Sut allwn ychwanegu gwerth i waith ein gilydd?
- Oes ots beth bynnag, onid oes digon o drafferthion gyda ni gartref?

Dewch i fwynhau noson wedi ei threfnu gan Canolfan Materion Rhyngwladol Cymru, Lab Cynaliadwyedd Prifysgol Bangor, RCE Cymru a Grwp Cenhedloedd Unedig Menai

Have you had enough of narrow-mindedness?  
Would you like to make a difference beyond our boundaries?

Who would like an evening of discussion around topics starting with a letter other than 'B'? This is our opportunity to chat about:

- A globally responsible Wales – how can we achieve this?
- Who's who, and who's doing what?
- How can we be more 'globally responsible' in our day jobs?
- How can we add value to each others' work?
- Does it matter anyway? Don't we have enough on our plate at home?

Come to enjoy a night organised by WICA, Bangor University's Sustainability Lab, RCE-Cymru and UNA-Menai
